Picanha steak

Our picanha (*pee-KAHN-ya*) is a prized cut from the rump cap, recognised for its generous fat layer which bastes the meat as it cooks. The result is a steak that is exceptionally juicy, tender and packed with natural beef flavour.

A note on our steaks

We dry age our ribeye on site, developing a deep umami character with a distinctive nutty richness. The dry-ageing process gently reduces moisture, concentrating flavour and enhancing tenderness for a steak that is beautifully balanced and full of depth.
